CCCU CREDIT CARDS APP

Pay your Visa bill, view your transactions, set-up card controls and more!

Download. Start by downloading the app by searching "CCCU Credit Cards" in your devices app store.

Enroll. Upon opening the app, you will need to accept the "**DX Mobile Terms & Conditions**" which will be followed by a welcome screen and then a notification mentioning card management app credentials. Continue to tap "**OK**" until you arrive at the enrollment screen. With your new Visa credit card handy, select "**Enroll**" at the bottom of the login screen.

3

Enter Info.

You'll then be prompted to enter your credit card number, first name, last name, and email address to verify your identity. Select "**next**" and tap on your email address to send a verification passcode. Tap "**next**" again.

Payments made after 5 p.m. (CST) will post the following business day. MAKE PAYMENT				

Select **"Add a New Account"** at the bottom of the next screen.

Have your financial institution's routing number and your account number accessible and enter it on the next page, **"Add Payment Source"**. Fill in the remainder of the information and tap **"add"**.

That's it! You're ready to make payments on your CCCU Visa credit card.

*The first time you link a new account, there is a 5-day delay while the account information is verified.
