

IMPORTANT INFORMATION ABOUT THE PFCU SAN DIEGO BRANCH

The partnership between CCCU and PFCU positions both organizations to offer competitive financing and enhanced services for our members, ensuring the joint credit union continues on the path to building a financially secure future.

Though this merger brings exciting updates and additions to product and service offerings, it also brings on some other important changes. **Effective July 1, 2025, the PFCU San Diego Branch will officially close. The ATM will remain at the same location until December 31, 2025.**

More Branch Locations for You

We understand the inconvenience this may cause, however, now that PFCU is a division of CCCU, **starting June 2, 2025, you will have access to over 5,000 CO-OP Shared Branches!**

That means you can make deposits and withdrawals, make loan payments, and even receive loan advances as if you were visiting a PFCU branch.

Plus, you'll continue to have access to over **30,000 CO-OP surcharge-free ATMs worldwide!**

To find a Shared Branch or Surcharge-free ATM location near you, visit co-opcreditunions.org or by downloading the CO-OP ATM/Shared Branch Locator [iPhone](#) or [Android Mobile App](#) available in your smartphone's app store. This includes select locations where you shop, like 7-Eleven, Circle K, Costco, Publix, Dunkin Donuts, and many regional convenience store locations.

The closest Shared Branch location to the San Diego Branch is:

Inland FCU

8811 Grossmont Blvd.,

Important Tip!

When visiting a Shared Branch, **you will be asked which credit union you're with**. Because of our upcoming system conversion, Providence Credit Union is not recognized in the shared branch system.

Please let them know you're with Consolidated Community Credit Union so they can locate your account and provide service without delay.
